
Photos on TCJ Web Site

Posted by greg72nova - 2008/09/29 20:50

CJ Online's You Spotted site has a number of galleries of photos taken at the Sharkfest...including some by yours truly <http://spotted.cjonline.com/tags/sharkefest> Go to <http://spotted.cjonline.com/> and search for rugby and you should get all of the photos. Enjoy.

You need a little bit more rugby action in your user photo sorry but snow just wont do... time to put the boots on and get dirty
