---

The game in Pittsburg this weekend has been confirmed. Kickoff is at 2:00 p.m. It takes roughly 3 hours to get there, more if you drive slow and make lots of stops.

There are a couple of different ways to get to Pittsburg from Topeka, but ultimately you end up on US Highway 69 (going south). When 69 reaches Pittsburg, it becomes Broadway (there's a 69 bypass, but don't follow it). Stay on Broadway all the way through town until you get to Ford Street. Turn left on Ford and follow it until it ends in a T. Straight across from you, next the railroad tracks is the rugby pitch. The actual address if you want to mapquest it is 909 E. Ford (mapquest will tell you to take the 69 bypass and come into Pittsburg from the south, but I think it's less confusing to drive through town).
