## Midnight 7's in February

They're doing another midnight 7's at the KC Soccer Dome this February (club teams will play on Saturday night, Feb. 6th). As the name implies, it's a late night event, playing 7's on an indoor soccer field. It's a lot tighter than regular 7's, so not as exhausting for packies. The cost is \$225 per team and if we want to go, we probably ought to register (and pay) as soon as possible because it is limited to 9 teams.

Who is interested?

Cost is about average for a tournament. With 10 guys, it breaks down to 22.50 a player, or 7.50 a game. Not unreasonable. And if you want to make the per game cost cheaper, win (you get more games that way).
